The [East Austin Studio Tour](#) is an annual favorite for locals and out-of-towners! With a mixture of shared-use trails, neighborhood streets, and high-comfort bikeways, this route, weaving through East Central Austin, is an ideal area to explore by bike. Originally designed for the Bike E.A.S.T Scavenger Hunt, the route commences in an industrial area populated with up-and-coming artists, leads participants along the Boggy Creek Greenbelt Trail, through the historically significant [Six Square](#) District, and finishes along a quiet neighborhood street. This is an enjoyable route for the solo cyclist and groups of bike riders alike!
